Welcome to Spokane Sport Horse Farm

Welcome to Spokane Sport Horse Farm 8th Annual Spring Horse Trials

Welcome all participants, families, sponsors, volunteers and spectators to our 8th annual Spokane Sport Horse Spring Horse trials. If this is your first ever recognized event please let us know as we have a little welcome gift for you to the sport. We are following strict veterinary guidelines to help keep our horses safe at large gatherings like this.

We are very pleased indeed to continue with our FEI level of sponsorship. Since 2021 our FEI sponsors have contributed money and product at a substantial level to allow us to offer better prizes, fences, more stabling, decorations and everything that goes into making this event special for you. Watch for their website links on our improved farm website (thanks Cyra) and please thank them in person as well.

We are excited to offer substantial improvements in footing and a HUGE new front water complex addition! We welcome the return of mixed team competitions and recognition of the trainer with the most students competing in teams! Make new friends and have fun cheering each other on! Get your barn together to support Eventing (and your event here) in area VII with a joint sponsorship (at any level is appreciated). FEI course designer Adri Doyal has been working hard to revamp courses and build new fences. We purchased additional equipment and have worked hard on footing despite zero help from Mother Nature this year.

We have an excellent team of officials and staff. They work many hours to keep the competition running smoothly and safely while providing a 'level playing field' for everyone.

We offer seven USDF/USEF dressage shows with a special USEA registered horse high point award as well as serve as the home base for many private clinics, schooling shows and even the USEA Area VII Adult Rider camp. Keep those dates in mind for our USEA FEI, classic series and horse trials events. We also offer USEA educational one day competitions in the spring and fall as well. We are considering offering smaller USEA Recognized one or two day events through novice or training to allow lower level competitors more opportunities to compete.

Feel free to volunteer or thank other volunteers and sponsors. We welcome and appreciate your input as to how we can improve this event and earn your continued interest and attendance. Many of the changes we have brought about came from your excellent suggestions. We have added additional static water tanks this year at your request to reduce cross contamination risk from hoses and let you fill buckets more quickly. We still only have our smaller well so please respect our request to not hose bathe your horse. Water is potable from any hydrant on the farm but reserve the tank water for your horse's drinking and wipe down needs as it does come from a city fire hydrant and we tank it in. There is a team competition you can join as well. Thanks to all for making this a super event and HAVE A GREAT RIDE!

I am excited to announce we will be a national training site in 2023/2024 for the Eventing coaches program dressage portion. We will be looking for volunteer riders so keep an eye on announcements and come enjoy great education at a minimal fee!

I believe this spring event will move to the first weekend in June in 2024. EI event will move to third weekend in May. We hope to host adult riders camp on our usual competition weekend mid May so it precedes events in the area and better suits educational needs.

Remember weather permitting we serve as an excellent schooling facility with many clinics, on-site instructors, and a super xc course with options at all levels.

With gratitude,
Christel and Cyra Carlson

She is part of the Waredaca staff, business team and co-owner of the Waredaca Brewing Company. Her younger sister, Devon, is a licensed Doctor of Physical Therapy, currently practicing in Chicago.

Christel Carlson is an "S" dressage, "R" DSHB, and FEI 3* paraequestrian judge, and is also YEH and FEH certified. She is the owner of Spokane Sport Horse Farm, a 150 acre boarding, breeding, and show facility, where she has hosted Dressage shows for 25 years, and two USEA events per year since 2016. Christel competed for years on horses she bred and trained, first in jumpers, then eventing, and eventually dressage, earning her bronze, silver, and gold USDF medals. Owning the SSHF event facility is the fulfilment of a lifelong dream, which she shares with her daughter Cyra along with a love for horses.

Julie Gelderman has spent a lifetime riding and working in the horse industry. For many years she owned and operated Sandamar Farm, a Hunter/Jumper facility in Poulsbo, Washington. Recently she sold the farm to her daughter and husband and now spends her time working as barn manager for her daughter, trail riding, hauling horses and horse show announcing. "I'm a horse woman...what could be better than getting paid to talk!"

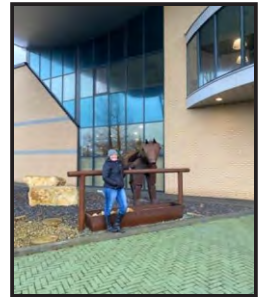

Nicho Meredith born in the United Kingdom on May 24th 1950 (Gemini), Nicho was educated in the private school system in England. He spent five years in Europe at language schools including the University of Salzburg, Austria. Thereafter he spent five years in a Cavalry regiment in the British Army. Nicho has ridden horses all his life, mainly for pleasure, fox hunting, polo and show jumping. He has announced in England at horse trials (eventing) since the age of 18, including most of the European championships and 1990 came to the USA to announce and provide sound systems for equestrian events where he is able to announce in up to 13 languages. When Nicho is not criss-crossing the states carrying out his duties as a multilingual announcer, he enjoys the opportunity to ride whenever possible and go to the opera.

Meet Your Officials

Deeda Randle literally grew up riding in the mountains in Northwest Wyoming; trail riding, working cattle, jumping, playing polo and going on pack trips. Her love of Dressage and Eventing started when she attended Meredith Manor School of Horsemanship in 1974. Since that time, Deeda has been active in promoting both sport and education in Dressage and Eventing. Deeda was involved with the Mountain States Combined Training Association, prior to Area IX being formed, as an officer and active member. In those early days, many members helped build courses, lend show jumps, organized and competed in an effort to have competitions to ride in. Deeda's volunteer work continued after the formation of Area IX. She has served as Area IX Chairman on two different occasions for a total of 7 years and currently is on the United States Eventing Association Board of Governors. Deeda has managed FEI Events at the Colorado Horse Park as well as several smaller shows. Deeda holds licenses as an Eventing 'r' Judge and TD and Dressage 'R' TD and FEI Steward. Deeda resides in Cheyenne, Wyoming where she owns and operates Randle Equestrian, LLC. Randle Equestrian, LLC is a small, custom lesson and training business with the focus being on equitation, correct basics and fun in the competition world.

Amanda Wilgenberg started riding at about the age of 10. She's ridden hunter hack, western and little bit of everything else until she came to dressage. She loves to teach, compete, volunteer, and judge. Whilst dressage is her first love, eventing has always fascinated her and she considers it an honor to judge both.

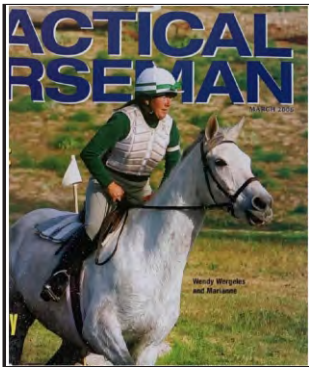

Christina Gray Event Secretary has been Secretary/Event Management for some of the biggest events in the USA. (The event formerly known as Rolex for example) We are thrilled to welcome this level of expertise to our events. She travels from her home base in Kentucky. Many of you will recognize her from Rebecca Farm or Aspen events in our area. She has experience as a rider and groom as well so she understands the rider's needs and concerns well.

Erin Tomson is an active competitor and volunteer in Area VII eventing. She is a communication professor at WSU and is on the steering committee for Strides for Equality Equestrians, a non-profit organization that is working to increase diversity, inclusion, access, and allyship in equestrian sports

Gail Mackie has managed many nationally recognized shows for both INDA & SSHF. She started riding as a small child, herding cattle and trail riding, and enjoying training and raising Sheltand ponies. In 1994, she purchased Lipizzan stallion, Conversano Natasha II-I and her first English saddle, and began lessons. Gail has served as farm manager at SSHF for many years.

Meet Your Officials

Wendy Wergeles is trainer-in-residence and co-manager at Cottonwood Ranch in Los Alamos, CA. She divides her teaching/training schedule between lessons/clinics in the Western US and Canada. Though no longer competing, she has horses in training and for sale, and hunts with the Santa Ynez Valley Hounds. She is a USEA/ICP Level III instructor, and competed successfully through Advanced (1994 AHSA Zone 10 Adv Level Reserve Champion, Eventing with Torque). Wendy has her USEF “r” Event Judges license, “S” TD license and is certified to judge YEH and FEH divisions. She is also a Lifetime Certified Appraiser for the American Society for Equine Appraisers. She has been Organizer/Co-Organizer of the Flintridge HTs, Las Vegas HTs, Silk Purse Ranch HTs, Goose Downs Farm HTs, Event at the Downs, Brusally Ranch HTs, Coconino County HTs, Flying Fox Farm HTs, Quebec Championships, and Eastern Townships HTs. Her breeding program has produced two full sisters and a full brother of the very successful event horses, Fleecework’s Royale and R-Star. Ali & Nick Holmes-Smith have taken over the future of these horses, which is very exciting for all involved. Wendy was a founding director of Las Vegas Equestrian Events, Inc., the Equestrian Medical Safety Assoc., the Eastern Townships Children’s Horse Events, and created The Event Derby® series of competitions. For details see: www.theeventderby.com

Dr. Jen Earnest is an equine and small animal veterinarian in Spokane, WA. She completed an equine internship at McKinlay and Peters Equine Hospital. After her internship, she spent 3 years in Central California at Pacific Crest Equine, in general equine practice. In 2020 she returned to the Pacific Northwest; currently, she splits her time between equine emergency call and working at a small animal emergency clinic. She has a passion for equine athletes and is excited to be able to provide veterinary services for USEA and FEI shows. In 2020, she started eventing her own horse Joey and instantly fell in love with the sport.

Cyra Carlson, has been an Equestrian from the start, growing up on a farm competing in dressage shows and events since the age of 4. She is a C3 in pony club, a USDF L Graduate and enjoys training her horses. When she isn’t competing at events around the region, she is volunteering. She is a recent graduate from Montana State University in Biological Engineering.

Adri Lea Doyal Native Texan, still based out of the small town of Baird when not traveling around the USA and internationally as an eventing official and professional cross country prepper. Licensed through the USEF, FEI, and the Mexican Equestrian Federation as a Course Designer and Technical Delegate and also currently working on sport development projects in 3 Central American countries. A music lover and someone who names all of her chainsaws, which usually leads to the statement of find the noise and you will find Adri.

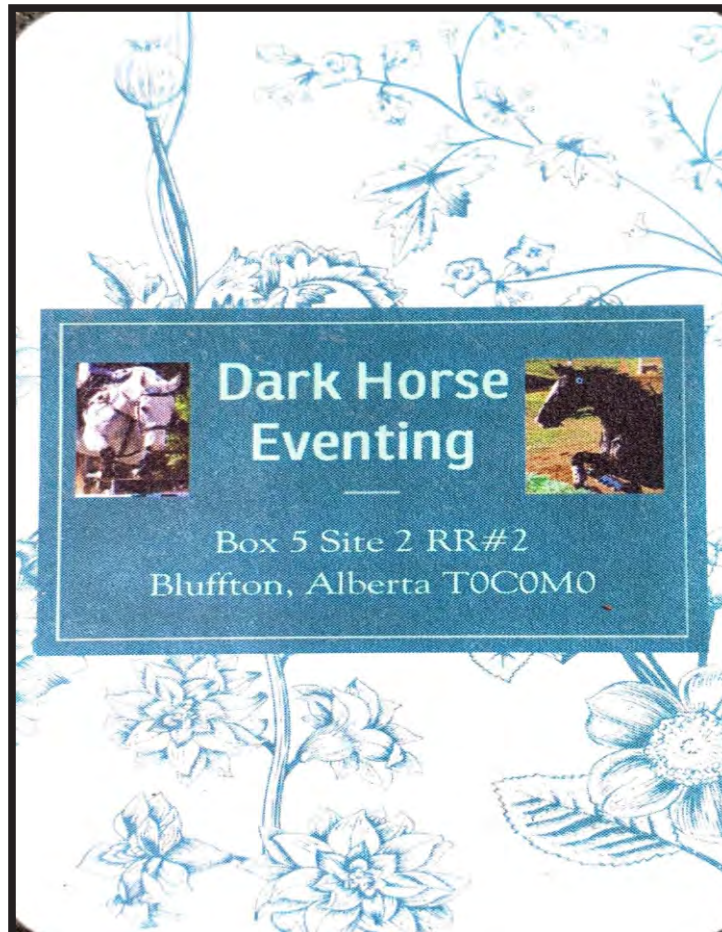

Meet Your Officials

Greg Haff has managed the start box for every recognized event at SSHF. His wife Sarah is the horse enthusiast, but Greg always helps out. He's been working for the Spokane Fire Department for 24 years. In his off time he enjoys motorcycles and old jeeps.

William Robertson after having a riding and training business, William has switched his focus in the sport to course designing. He holds licenses in both Jumping and Eventing which has allowed him to design and assist around the country at local training shows through FEI 5* competitions. Taking his experiences from riding and working with several Olympic, World Championship, World Cup, and Internationally ranked Course Designers, William hopes to provide courses that allow horses to jump to their top potential while testing the rider's riding abilities.

Meet the Event & Facility Crew

Bill Bryan is “retired” but works hard to make things happen anywhere and everywhere at SSHF! He is a member of Christel’s *Build My Dream* construction team!

Scott Currey, who supposedly retired from his construction business, is an artist with a bobcat. He has cleared, leveled, graded, shaped, and built all around the Spokane Sport Horse Farm. He is a member of Christel’s *Build My Dream* construction team!

Gary Powell, owner of Seven Mile Excavating and a car and body shop, has been instrumental in clearing and shaping the tracks and arenas. Gary, his excavator, and his dump truck can be seen shaping the SSHF eventing dream! He is a member of Christel’s *Build My Dream* construction team!

TULLY KASPAREK

FARRIER

Tully Kasperek is a supporter of SSHF and frequently serves as show farrier. Her kids and her clients keep her very busy, but she usually can find time for the occasional trail ride.

LOVELL FINK Farrier specializing in sport horses and corrective/therapeutic shoeing. His practice here is primarily dressage and three day event horses. 28 years in California and in Spokane since 2012. Likes hunting and fishing in his “spare” time. Melia Langdon has participated in a variety of horse sport for most of her life including polo, barrels, gymkhana, eventing, racing, and finally dressage.

These days she is happily enjoying ‘retirement’ after decades of corporate life. She lives with her 3 dogs, and 1 cat and spends time training her Lusitano mare and caring for her retired Holsteiner gelding. When not on a horse, she can be found on her bike or running the trails.

Blessed with agility, grace, speed, stamina and courage,

Competitor & Spectator Reminders

- **Horses have the Right of Way at all times.** They move at great speeds. **“Heads UP!”** means clear the way now!
- **Do not offer assistance to competitors**—they can be eliminated by any type of assistance, even clucking.
- **Withhold applause and encouragement** until the competitor has negotiated the obstacle.
- **Follow any instructions given you by the cross-country jump judges.** It is their responsibility to keep the area safe for horses and riders. **For safety reasons children must be supervised at all times.**
- **Dogs must be kept on a short, fixed-length leash (not retractable) at all times,** including on the trails. A \$50 fine will be imposed (donated to SpokAnimal) for dogs off leash. Please be responsible and clean up after your dog. If you walk the course with your dog do not leave any unwanted presents behind.
- **No motorized vehicles allowed on the cross-country courses.** Courses may be walked on foot or by bicycle.
- **No fires, no charcoal grills, and no smoking!** Only propane grills are allowed on facility grounds.
- **Be generous with a smile and a “thank you” to our numerous working volunteers.**

LIMITATIONS ON LIABILITY FOR EQUINE ACTIVITIES

Spokane Sport Horse Farm are “equine activity sponsors” as that term is used in RCW 4.24.530(3). Equine activities involve inherent dangerous risk of accident, loss, and serious bodily injury, including broken bones, head injuries, trauma, pain, suffering, or death. Under Washington State law, except as provided in RCW 4.24.540(2), an equine sponsor or an equine professional shall not be liable for any injury to or the death of a participant engaged in an equine activity, and, except as provided in RCW 4.24.540(2), no participant nor participant's representative may maintain an action against or recover from an equine activity sponsor or an equine professional for any injury to or the death of a participant engaged in an equine activity.

The Washington State Equine Limitation of Liability Act, RCW4.24, applies to all horse-related activities associated with Spokane Sport Horse Farm. Horses by their very nature present a risk of injury, harm or death. Riders represent that they are qualified to participate in the activities and at the levels they elect. All horses on the property participate entirely at the owner's and rider's risk. The owner/rider is personally responsible for damages to third parties caused by themselves or their horse.

A QUICK DRESSAGE PRIMER

the letters originated from is not certain, but an article in the British Dressage magazine (June/July 2000), states that in the old Imperial German court, the walls of the stable yard were initially marked with letters indicating where each courier and/or rider's horse was to stand awaiting it's rider. Eventually, the royal stable yard was used for schooling, training and exercising of the horse, hence the current use of the letters in the dressage arena.
